In a supportive and fun-filled environment, the Peace Camp at Gwynedd Friends helps campers find peace within themselves so that they are able to contribute to peaceful environments at home, at school, and with friends.

Campers can experience Kid Power by learning to express their emotions, understand other points of view, use words to solve problems, celebrate differences and practice peacemaking.

There will be a great variety of active cooperative games, arts crafts, music, creative problem solving and service projects to choose from. Team building skills are important at Peace Camp, and children can learn through games to work together, overcome obstacles and reach goals through cooperation.
